# Quaternary of South-West England

## Contents

[Title page and preliminaries](#)

**Contributors**

**Acknowledgements**

**Access to the Countryside**

**Preface**

[1 Introduction to the Quaternary](#)

Introduction

The character of the Quaternary

Climate change in the Quaternary

The deep-sea record

Subdividing the Quaternary

The history of the ice ages

British Quaternary environments

The challenge for Quaternary science

[2 The geomorphological evolution and Quaternary history of South-West England: a rationale for the selection and conservation of sites](#)

The principles and methodology of the Geological Conservation Review

Introduction

Site selection guidelines and site networks

The geomorphological and Quaternary evolution of South-West England: a synthesis

The pre-Quaternary inheritance

Quaternary events prior to the Devensian Stage

The Devensian Stage

The Devensian late-glacial and Holocene

[3 Pre-Quaternary and long-term landscape evolution](#)

The pre-Quaternary inheritance

[Beer Quarry](#)

[St Agnes Beacon](#)

#### **4 Granite landscapes**

Introduction

#### **Granite landforms and weathering products**

[Merrivale](#)

[Believer Quarry](#)

[Two Bridges Quarry](#)

#### **Devensian late-glacial and Holocene environmental history**

[Hawks Tor](#)

[Dozmary Pool](#)

[Blacklane Brook](#)

[Black Ridge Brook](#)

#### **5 Pleistocene cave sequences**

Introduction

[Kent's Cavern](#)

[Tornewton Cave](#)

[Chudleigh Caves](#)

[Joint Mitnor Cave](#)

#### **6 The Quaternary history of the Dorset, south Devon and Cornish coasts**

Introduction

[Portland Bill](#)

[Hope's Nose and Thatcher Rock](#)

[Start Point to Prawle Point](#)

[Pendower](#)

[Porth Nanven](#)

[Boscawen](#)

[Porthleven](#)

[Godrevy](#)

[Trebetherick Point](#)

## **7 The Quaternary history of north Devon and west Somerset**

Introduction

[Brannam's Clay Pit](#)

[Fremington Quay](#)

[The Croyde–Saunton Coast](#)

[Westward Ho!](#)

[The Valley of Rocks](#)

[Doniford](#)

[The Chains](#)

## **8 The Quaternary history of the Isles of Scilly**

Introduction

[Porthloo, St Mary's](#)

[Watermill Cove, St Mary's](#)

[Old Man, Gugh, St Agnes](#)

[Peninnis Head, St Mary's](#)

[Porth Seal, St Martin's](#)

[Bread and Cheese Cove, St Martin's](#)

[Chad Girt, White Island, St Martin's](#)

[Northward Bight, St Martin's](#)

[Battery \(Castle Down\), Treasco](#)

[Castle Porth, Treasco](#)

[Higher Moors, St Mary's](#)

## **9 The Quaternary history of the Somerset lowland, Mendip Hills and adjacent areas**

Introduction

### **(A) Sites relating to the extra-glacial development of the Somerset lowland and adjacent areas**

[Langport Railway Cutting](#)

[Greylake \(No. 2 Quarry\)](#)

[Hurcott Farm](#)

[Portfield](#)

[Low Ham](#)

[Broom Gravel Pit](#)

## **(B) Colluvial and fan-gravel sites in Mendip and adjacent areas**

[Middle Hope](#)

[Brean Down](#)

[Bourne](#)

[Wookey Station](#)

## **10 The Quaternary history of the Avon Valley and Bristol district**

Introduction

### **(A) Glaciation of the Bristol district**

[Court Hill](#)

[Bath University](#)

[Nightingale Valley](#)

[Bleadon Hill](#)

[Kennpier](#)

[Yew Tree Farm](#)

[Kenn Church](#)

[Weston-in-Gordano](#)

### **(B) River terraces and landscape development**

[Ham Green](#)

[Newton St Loe](#)

[Stidham Farm](#)

[Hampton Rocks Cutting](#)

[Holly Lane](#)
