**Access to the countryside**

**Preface**

### [1 The Pleistocene of the Thames](#)

The Quaternary record of the River Thames

The Thames terrace system

The diversion of the Thames

The continuation of the Thames into Essex

Classification of Thames terraces and deposits

The stratigraphical framework: Pleistocene chronostratigraphy and correlation

Terrace formation

The stratigraphy of the Thames sequence

Evidence from Palaeolithic artefacts in Thames deposits

Correlation of Thames terraces

### [2 The Upper Thames basin](#)

The Pleistocene sequence in the Upper Thames

[Sugworth Road Cutting](#)

[Long Hanborough Gravel Pit](#)

[The Wolvercote Gravel and Wolvercote Channel Deposits](#)

[Stanton Harcourt Gravel Pit and Magdalen Grove Deer Park](#)

### [3 The Middle Thames](#)

Introduction

### [Part 1 — Pliocene/Lower Pleistocene deposits in the London Basin](#)

[Little Heath](#)

[Harrow Weald Common](#)

[Priest's Hill, Nettlebed](#)

## **[Part 2 — Pre-diversion deposits in the Middle Thames basin and the Vale of St Albans](#)**

The Vale of St Albans Thames and its demise

[Chalfont St Giles Brick Pit and Furneux Pelham Gravel Pit](#)

[Westwood Quarry](#)

[Westmill Quarry](#)

[Moor Mill Quarry](#)

[Ugley Park Quarry](#)

## **[Part 3 — The sequence post-dating the diversion of the Thames \(sites in the Middle Thames and its tributary, the Kennet\)](#)**

[Highlands Farm Pit](#)

[Hamstead Marshall Gravel Pit](#)

[Cannoncourt Farm Pit](#)

[Fern House Gravel Pit](#)

[Brimpton Gravel Pit](#)

## **[4 The Lower Thames](#)**

Research history

[Hornchurch Railway Cutting](#)

[Wansunt Pit, Dartford Heath](#)

[Swanscombe \(Barnfield Pit — Skull Site NNR and Alkerden Lane Allotments SSSI\)](#)

[Purfleet — Bluelands, Greenlands, Esso and Botany Pits](#)

[Globe Pit, Little Thurrock](#)

[Lion Pit Tramway Cutting \(West Thurrock\)](#)

[Aveley, Sandy Lane Quarry](#)

[Northfleet \(Ebbsfleet valley\): Baker's Hole Complex](#)

## **[5 Essex](#)**

Introduction

## **[Part 1 — The Kesgrave Sands and Gravels](#)**

[Newney Green Quarry](#)

[Ardleigh \(Martells Quarry\)](#)

[Little Oakley](#)

[Wivenhoe Gravel Pit](#)

[St Osyth Gravel Pit and Holland-on-Sea Cliff](#)

## **[Part 2 — Eastern Essex](#)**

[Clacton \(cliffs, foreshore and golf course\)](#)

[Cudmore Grove \(East Mersea cliffs and foreshore\)](#)

[Southminster, Goldsands Road Pit](#)

## **[Part 3 — Deposits of local rivers](#)**

[Maldon Railway Cutting](#)

[East Mersea \(Restaurant Site and Hippopotamus Site\)](#)

[Great Totham \(Lofts Farm Pit\)](#)
