
Selected bibliography

Most of the references listed below are held in the Library of the British Geological Survey at Keyworth, Nottingham. Copies of the references may be purchased from the Library subject to the current copyright legislation. Only key references and those from which diagrams have been derived are listed.

Coverage of BGS 1:50 000 scale geological maps and explanatory memoirs for the district

Memoirs of the Geological Survey of Great Britain Sheets 3 & 5 Carruthers, R G, Burnett, G A, Anderson, W and Thomas, H H. 1932. The geology of the Cheviot Hills.

Sheet 4 Carruthers, R G, Dinham, B A, Burnett G A and Maden, J. 1927. The Geology of Belford, Holy Island and the Farne Islands.

Sheet 6 Carruthers, R G, and Anderson, W. 1930. The Geology of the Alnwick District.

Sheet 7 Clough, C T. 1889. The Geology of Plashetts and Kielder.

Sheet 8 Miller, H. 1887. The Geology of the country around Otterburn and Elsdon.

Sheet 9 Fowler, A. 1936. The geology of the country around Rothbury, Amble and Ashington.

Sheet 12 Day, J B W. 1970. Geology of the country around Bewcastle.

Sheet 13 Frost, D V, and Holliday, D W. 1980. Geology of the country around Bellingham.

Sheet 18 Trotter, F M, and Hollingworth, S E. 1932. The geology of the Brampton District.

Volumes of the Geological Conservation Review Series Vol. 1 Ellis, N V. (ed). 1996. An introduction to the Geological Conservation review.

Vol. 11 Cleal, C J and Thomas, B A. 1996. British Upper Carboniferous Stratigraphy.

Vol. 13 Gregory, K J. (Ed.) 1997. Fluvial Geomorphology of Great Britain.

Vol. 25 Huddart, D and Glasser, N F. 2002. Quaternary of Northern England.

Vol. 27 Stephenson, D, Loughlin, S C, Millward, D, Waters, C N and Williamson, I T. 2003. Carboniferous and Permian Igneous Rocks of Great Britain, North of the Variscan Front.

Vol. 29 Cossey, P J, Adams, A E, Purnell, M A, Whiteley, M J, Whyte, M A and Wright, V P. 2004. British Lower Carboniferous Stratigraphy.
