Published in: The Dalradian rocks of Scotland: an introduction. PGA 124 (1–2) 2013

<https://doi.org/10.1016/j.pgeola.2012.06.002>. Also on [NORA](#)

In this reference list the arrangement is alphabetical by author surname for works by sole authors and dual authors. Where there are references that include the first-named author with others, the sole-author works are listed chronologically first, followed by the dual author references (alphabetically) followed by the references with three or more authors listed *chronologically*. Chronological order is used within each group of identical authors.

Agrell, S. O. (1942) 1. A petrological investigation of the adinoles at Dinas Head, Cornwall. 2. A petrofabric study of the Ben Vuroch granite and the adjacent schists in Perthshire. Unpublished PhD thesis, University of Cambridge.
