
Appendix 4 Bibliography

1656. CHALONER, J. A Short Treatise of the Isle of Man. [Mines and Minerals mentioned p. 8], fol. London. (Reprinted for Manx Society, vol. x., 1863).

1702. SACHEVERELL, W. (late Governor of Man). An account of the Isle of Man, its Inhabitants, Language, Soil, Remarkable Curiosities, etc., etc. 8vo. London. (Reprinted for the Manx Society; vol. i., Douglas, 1859, edited by Rev. J. G. Cumming.)

1772. WILSON, T. (Bishop). A new Survey and Description. Account of the Isle of Man; in vol. ii., pp. 391–398 of fourth edition of Camden's Britannia: also reprinted in 1781, in "The Works of... compiled by C. Cruttwell." Bath: printed for C. and R. Cruttwell, and sold by C. Dilly, Poultry, London. 2nd ed., 3rd ed. 1786. 4th ed. 1797.

1785. WILKS, J. Remarks on Bog Timber in the Isle of Man. Gentleman's Magazine, 1785, p. 503.

1791. TOWNLEY, R. The Isle of Man, with observations on the Soil Climate, and Natural Productions, etc. 2 vols., 8vo. Whitehaven.

1794. QUAYLE, B. General view of the Agriculture of the Isle of Man. Board of Agriculture. 4to. Lond.

1798. FELTHAM, J. A Tour Through the Island of Mann. 8vo. Bath. (Reprinted for the Manx Soc., vol. vi., 1861.)

1811. WOODS, G. An account of the Past and Present State of the Isle of Man, including... a Sketch of its Mineralogy. 8vo. London

1812. QUAYLE, THOMAS. General View of the Agriculture of the Isle of Man. 8vo. Lond.

1814. BERGER, Dr. J. F. Mineralogical Account of the Isle of Man. Trans. Geol. Soc., vol. ii., pp. 29–65.

1818. MURRAY, J. On Phosphate of Iron. Ann. of Phil., vol. xii., p. 147.

1819. MACCULLOCH, DR. J. A description of the Western Islands of Scotland, including the Isle of Man, comprising an account of their Geological Structure, etc. 2 vols., 8vo.: Atlas, 4to.: London.

1821. ANON. Discovery of the Fossil Elk of Ireland, in the Isle of Man. Edin. Phil. Journ., vol. v., p. 227.

1821. HENSLOW, REV. PROF. J. S. Supplementary Observations to Dr. Berger's Account of the Isle of Man. Trans. Geol. Soc., vol. v., p. 482.

1823. ANON. Fossil Elk of the Isle of Man. Edin. Phil. Journ., vol. viii., p. 198.

1823. OSWALD, H. R. On the Stratification of Alluvial Deposits and the Crystalization of Calcareous Stalactites, in a letter to Dr. Macculloch. 8vo. Douglas.

1824. BERGER, DR. J. F. Reply to Mr. Henslow's Observations on Dr. Berger's Account of the Isle of Man. Ann. of Phil., ser. 2, vol. viii., p. 367.

1824. HENSLOW, REV. PROF. J. S. Remarks upon Dr. Berger's Reply to Mr. Henslow's Observations, etc. Ann. of Phil., ser. 2, vol. viii., p. 407.

1825. HIBBERT, DR. S. Account of the Circumstances connected with the Discovery of the Fossil Elk in the Isle of Man, etc. Edin. Journ. of Science, vol. iii., p. 15.

1825. HIBBERT, DR. S. Notice of the Remains of an Animal resembling the Scandinavian Elk, recently discovered in the Isle of Man, etc. Edin. Journ. of Science, vol. iii., p. 129.
1825. OSWALD, H. R. Observations relative to the Fossil Elk of the Isle of Man. Edin. Journ. of Science, vol. iii., p. 28.
1836. GILBERTSON, W. A Notice of the Result of a Visit to the Isle of Man in search of Fossils. Mag. Nat. Hist., vol. viii., p. 119.
1838. FORBES (PROF.), E. Malacologia Monensis. A catalogue of the Molluscs inhabiting the Isle of Man and the neighbouring Sea: [refers to *Nassa reticulata*]. 8vo. Edinburgh.
1841. FORBES (PROF.) E. On a Pleistocene Tract in the Isle of Man, and the relations of its Fauna to that of the neighbouring Sea. Rep. Brit. Assoc. for 1840. Trans. of Sections, p. 104.
1842. FORBES (PROF.) E. "Geology", pp. 55–58, in Quiggin's (afterwards Mover's) Illustrated Guide and Visitors' Companion through the Isle of Man. 8vo., Douglas: 3rd ed. 1847; 5th ed., 8vo., 1866; 6th ed., 1868 (afterwards Glover's).
1843. STRICKLAND, H. E. On some remarkable Concretions in the Tertiary beds of the Isle of Man. Proc. Geol. Soc. vol. iv., p. 8.
1846. CUMMING, REV. J. G. On Posidonian Schist amidst Trappean Beds, and on Traces of Drift-ice in the South of the Isle of Man. Rep. Brit. Assoc. for 1845. Trans. of Sections, p. 60.
1846. CUMMING, REV. J. G. On the Geology of the Isle of Man. Quart. Journ. Geol. Soc., vol. ii., p. 317.
1846. CUMMING, REV. J. G. On the Geology of the Isle of Man. The Tertiary Formations. Quart. Journ. Geol. Soc., vol. ii., p. 335.
1846. FORBES (PROF.) E. On the Connexion between the Distribution of the existing Fauna and Flora of the British Isles, and the Geological Changes which have affected their Area, especially during the epoch of the Northern Drift. [Manx Glacial Shells and Irish Elk discussed, pp. 383–385 and 394; also appendix, p. 406.] Mem. Geol. Survey, vol. i., pp. 336–432.
1847. CUMMING, REV. J. G. On the Geology of the Calf of Man. Quart. Journ. Geol. Soc., vol. iii., p. 179.
1848. CUMMING, REV. J. G. The Isle of Man, its History, Physical, Ecclesiastical, Civil, and Legendary. 8vo. London.
1848. DARWIN, CHARLES. " On the Transportal of Erratic Boulders from a lower to a higher level [discusses, among other instances, the uplift of the Foxdale Granite boulders, on data communicated by Rev. J. G. Cumming]. Quart. Journ. Geol. Soc., vol. iv, 2 pp. 315–323.
1851. MCCOY, PROF. F. Descriptions of some new Mountain Limestone Fossils [describes *Sangwinolites variabilis*]. Ann. and Mag. of Nat. Hist., ser. 2, vol. vii., p. 167.
1852. MILNE-EDWARDS, PROF. H. AND J. HAIME A monograph of the British Fossil Corals. Third part. Corals from the... Mountain Limestone [see Fossil list, p. 257]. Palaeontograph. Soc.
1854. CUMMING, REV. J. G. On the Superior Limits of the Glacial Deposits in the Isle of Man. Quart. Journ. Geol. Soc., vol. x., p. 211.
1855. CUMMING, REV. J. G. On some of the more recent changes in the Area of the Irish Sea. Edin. New Phil. Journ., ser. 2, vol. i., p. 57; also abstract in Rep. British Assoc. for 1854. Rep. of Sections, p. 80.
- 1858–1863. DAVIDSON, T. A monograph of the British. Fossil Brachiopods. Pt. v. The Carboniferous Brachiopods Nos. 3 & 4. [Isle of Man specimens figd. Pl. 3, 19, 20, 34; see Fossil list ante, pp. 258–9.] Palaeontograph. Soc.
